

The website <https://www.osvat.com> uses cookies, including third-party cookies, to improve its services and the user experience while browsing.

Cookies are small text files containing encrypted information that are sent to a computer's browser.

Cookies are used for:

- They allow you to navigate fluidly and efficiently from one page of the website to another.
- They can store user preferences and other related information.
- They make it possible to avoid entering the same information (such as username and password) several times during a website navigation.
- They can measure, in anonymous and aggregate form, the use of the services by Users.

There are various types of cookies, but basically the main purpose of a cookie is to make the site work more efficiently and to enable certain functionalities.

The different types of cookies used by this website are listed below so that you can easily choose whether and how your personal data will be processed through this type of technology.

I. Technical cookies (necessary)

We use technical cookies to ensure the proper functioning of our website and to provide you with a better browsing experience. Technical cookies are essential for the operation of our website and cannot be disabled. Without these cookies, our website would not be able to function properly.

II. Functional Cookies (necessary)

This site uses functional cookies to improve your browsing experience. These cookies may be used to remember your preferences, such as language or geographical area.

This site uses the following functional cookies:

- Session cookies: these cookies are only stored for the duration of the user's browsing session. Those cookies are deleted when the user closes the browser.
- Persistent cookies: these cookies are stored on the user's device for a longer period. They are used to remember the user's preferences even after they have closed the browser.

III. Performance cookies

We use performance cookies to collect information about the performance of our website. This information helps us to understand how our website is being used and to identify any problems.

For example, we use performance cookies for:

- Collect information on the number of unique visitors accessing our website.
- Collecting information on the most visited pages.

This information may be used to improve your browsing experience, optimise our website for search engines and identify any problems that might affect the performance of our website.

IV. Statistical and analytics cookies

This website uses third-party analytical cookies to collect information about how users use the website. This information is used to improve users' browsing experience and to optimise the website. Third-party analytical cookies are set by web analytics companies, such as Google Analytics. These companies use cookies to collect information about website usage, such as pages visited, time spent on the website and actions users take on the website. The information collected by third party analytics cookies is sent to web analytics companies and may be used by these companies to provide reports on website usage. You can choose to disable third-party analytical cookies by changing the settings in your browser. Google Analytics publishes [here](#) its cookie policy. You can selectively disable the action of Google Analytics by installing the opt-out component provided by Google on your browser. To disable the action of Google Analytics, you can download the Google Analytics opt-out browser add-on: <https://tools.google.com/dlpage/gaoptout>

V. Marketing and targeting cookies

We use marketing cookies to show you advertisements relevant to your interests. These cookies are set by us or by third parties, such as online advertising companies. These cookies can collect information about your browsing behaviour on different websites.

For instance, we use marketing cookies for:

- Showing you advertisements based on your interests.
- Limit the frequency with which you see the same advertisements.
- Measuring the effectiveness of our advertising campaigns.

This information may be used to improve your browsing experience and to make our advertisements more effective.

Third-party marketing cookies

Our website uses third party targeting cookies to display advertisements relevant to your interests. These cookies are set by online advertising companies and allow them to collect information about your visits to this website and other websites.

VI. Cookies to integrate third-party products and functions

This type of cookie integrates functionality developed by third parties within the pages of the site such as icons and preferences expressed in social plug-ins for the purpose of sharing site content or for the use of third-party software services (such as software to generate maps and other software offering additional services). These cookies are sent by third party domains and partner sites that offer their functionality between the pages of the site. The management of information collected by "third parties" is governed by the relevant policies to which please refer.

The presence of these *plugins* results in the transmission of cookies to and from all sites operated by third parties. For the sake of transparency and accessibility, the web addresses of the various information and cookie management methods are given below.

Google/Youtube: <https://policies.google.com/privacy?hl=it> (Opt-Out www.google.com/settings/ads/onweb/optout?hl=it)

VII. How to enable and disable cookies

Most web browsers are set to accept cookies automatically. However, you can change your browser settings to allow control over cookie usage. This allows you to either disable cookies entirely or to permit their use only with specific permissions.

Below are instructions on how to manage cookies in the most common browsers:

- Edge: click [here](#)
- Chrome: click [here](#)
- Firefox: click [here](#)
- Safari: click [here](#)
- Opera: click [here](#)

Please note that disabling cookies may negatively impact your browsing experience and limit the functionality of some websites. It is advisable to consult your browser's documentation or visit the browser manufacturer's website for further information on managing cookies.

VIII. Policy updates

This Cookie Policy may be subject to periodic updates or changes in response to changes in applicable regulations, business practices, or the evolution of the services offered. Therefore, it is advisable to regularly check this page for any updates. Any significant changes to the Cookie Policy will be notified through appropriate means, such as a notice on our website or via email, where available.
